Category	Faculty Development Program
Name of the Activity	Workshop on New Education Policy
Participants	Teaching-65
Date	07/10/2020
Venue	Rama Mahavidyalaya
Expert	Dr. Kausar Perveen
Brief Report	<p>Two days workshop on “New Education Policy 2020” is organized by the college and discussion is made on following points-</p> <p>The implementation of previous policies on education has focused largely on issues of access and equity. The unfinished agenda of the National Policy on Education 1986, modified in 1992 (NPE 1986/92), is appropriately dealt with in this Policy. A major development since the last Policy of 1986/92 has been the Right of Children to Free and Compulsory Education Act 2009 which laid down legal underpinnings for achieving universal elementary education. This National Education Policy envisions an education system rooted in Indian ethos that contributes directly to transforming India, that is Bharat, sustainably into an equitable and vibrant knowledge society, by providing high-quality education to all, and thereby making India a global knowledge superpower. The Policy envisages that the curriculum and pedagogy of our institutions must develop among the students a deep sense of respect towards the Fundamental Duties and Constitutional values, bonding with one's country, and a conscious awareness of one's roles and responsibilities in a changing world.</p>
